

Compare Child Custody Forms and Visitation Agreement Blank Templates Download

The primary areas of child custody involve separation or abandonment by married or unmarried parents. For people who are married but separated joint or shared custody is often the most appropriate way forward. The Grandparents, relatives and family friends can help and they also have legal rights; they are often an enormous support to their grand-children or relationships with the distressed family through either a Temporary Guardianship agreement or Child Custody Agreement that documents visitation arrangements and rights.
